Subject: MS vs DOJ Settlement

I beleive the settlement that you have reached with Microsoft is fair and the courts should accept it as the best option for all parties involved including the 9 state AG that are still holding out.

There is no question that the remaining 9 state AGs are continuing this litagation for the best interest of Microsoft's competitors and not to benefit consumers.

Please ask the court to accept your settlement as the best option for consumers like myself, the economy, and the company.

Thanks
